

## **Ghana Manganese Company Limited** **Environmental Policy Statement**

**Ghana Manganese Company Limited is committed to minimising the potential impact of its mining activities on the environment. We will therefore strive to conduct all our operations in compliance with all relevant environmental legislation and will endeavour to use pollution prevention measures and incorporate environmental best practices in all our operation.**

**In the light of the above GMC is committed to:**

- Co-manage the environment by integrating the consideration of environmental concerns and impacts into all of our decision making and activities,
- Promote environment awareness among our employees and encourage them to work in an environmentally responsible manner,
- Train, educate and inform our employees about environmental issues that may affect their work,
- Reduce waste through re-use and recycling and by purchasing recycled, recyclable or re-furbished products and materials where these alternatives are available, economical and suitable,
- Promote efficient use of materials and natural resources throughout our facility including water, electricity, raw materials and other resources, particularly those that are non renewable,
- Avoid unnecessary use of hazardous materials and products, seek substitutions when feasible, and take all reasonable steps to protect human health and the environment when such materials must be used, stored and disposed of,
- Purchase and use environmentally responsible product accordingly, where required by legislation or where significant health, safety or environmental hazards exists, develop and maintain appropriate emergency and spill response programmes,
- Communicate our environmental commitment to our sub contractors and the host communities and encourage them to support it.
- Strive to continually improve our environmental performance and minimise the social impact and damage of activities by periodically reviewing our environmental policy in light of our current and planned future activities.
